PathFive Breeze: Community Built. Technically Simple

Adopted by educators since 2005.

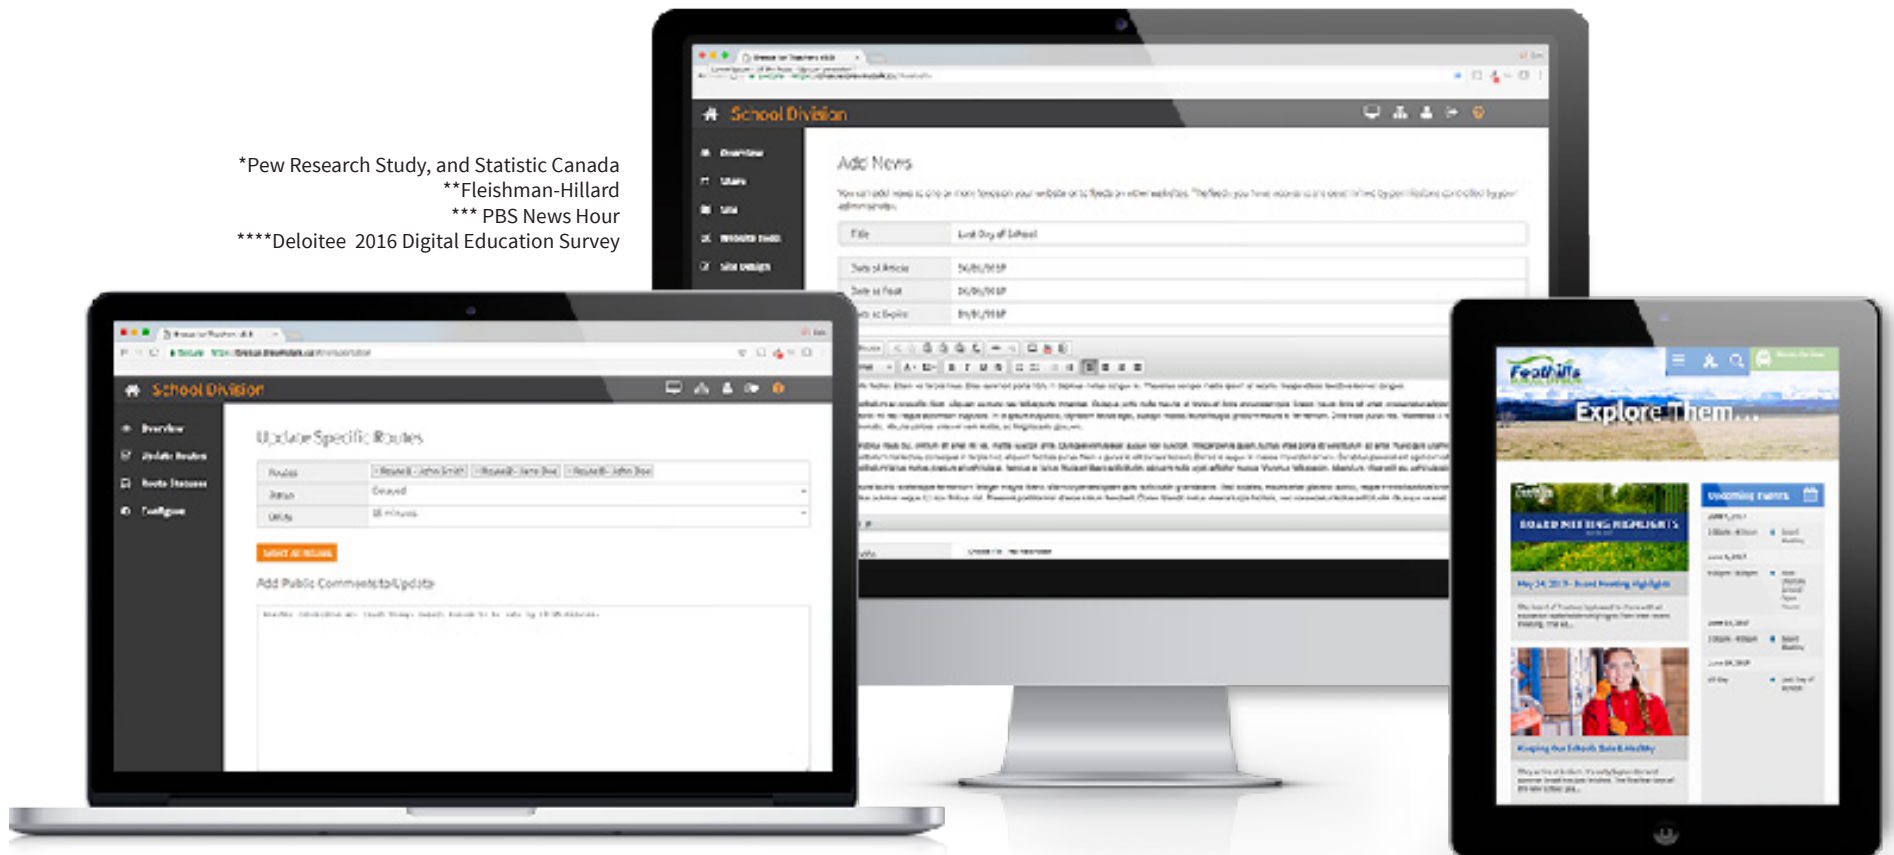

- ➔ We're ambitious, innovative and willing to work with your team.
- ➔ We know education.
- ➔ Cloud Based.
- ➔ Our goal is to have you spend less time in our software and more time in the classroom.

Just the facts

- ➔ In both Canada and the US 95% of citizens have at least one computer, tablet, or smart phone in their home.*
- ➔ 89% of users go online to find information on products, services or businesses prior to making a decision.**
- ➔ Parents spend on average 51 minutes a day browsing websites.***
- ➔ Technology is significantly impacting the way students learn and the way teachers conduct lessons.****

*Pew Research Study, and Statistic Canada
**Fleishman-Hillard
*** PBS News Hour
****Deloitte 2016 Digital Education Survey

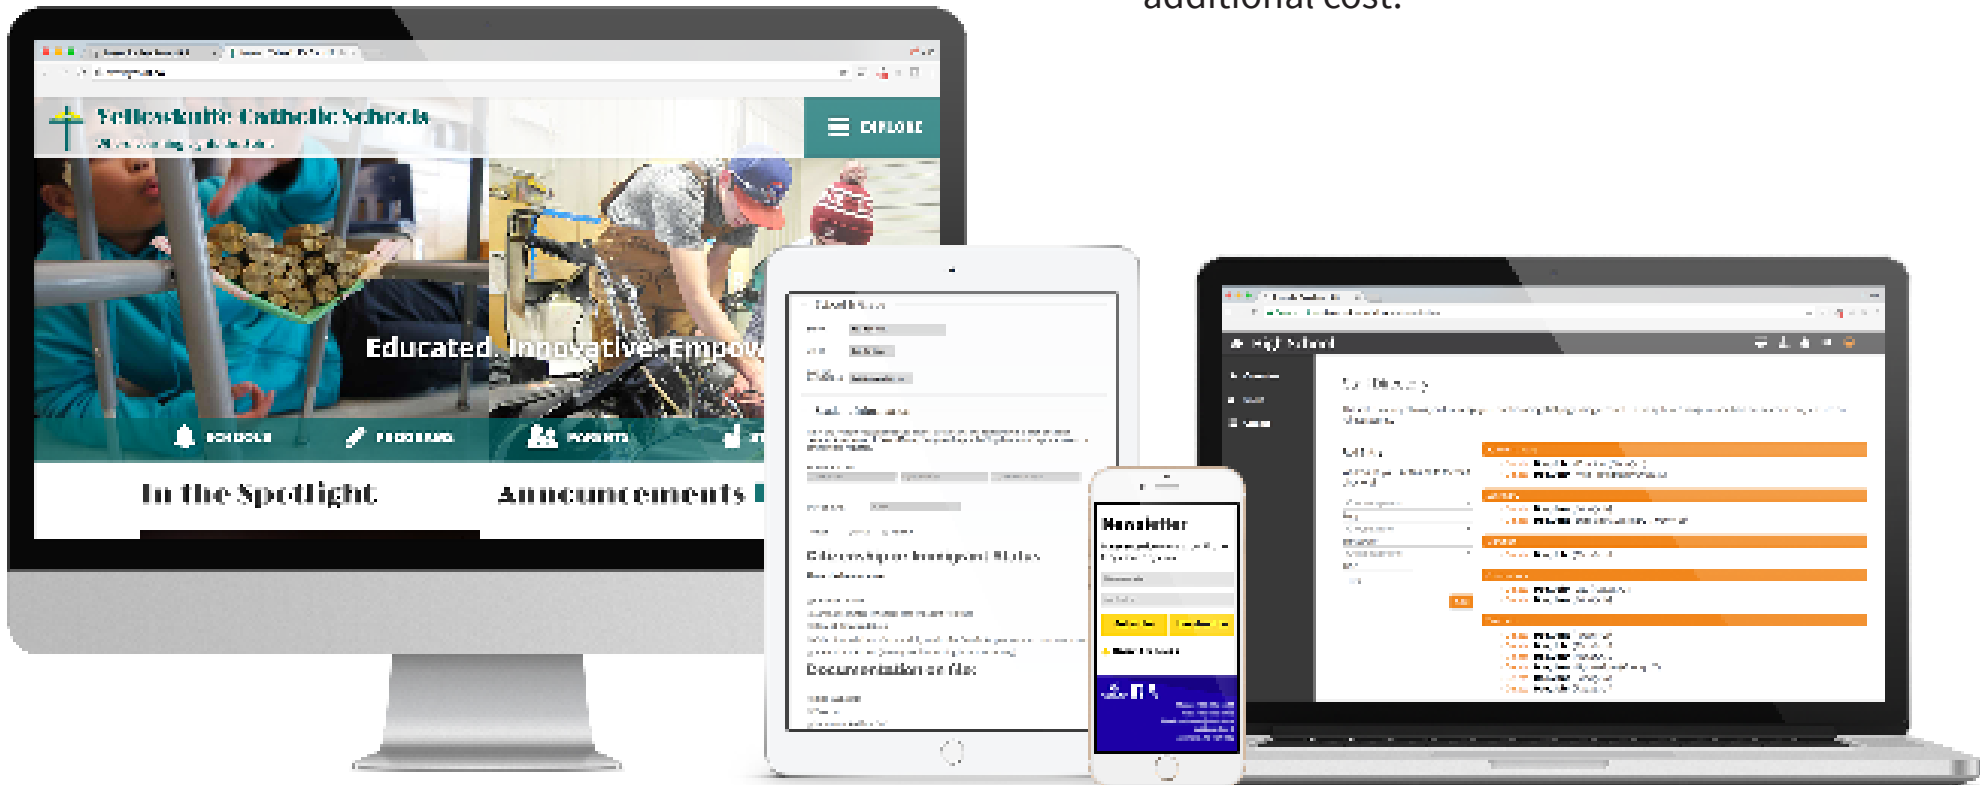

Easy to Use, Easy to Navigate.

- ➔ Parents can create their account online to book Parent Teacher Interviews
- ➔ News and Newsletters can be sent to a subscriber list. Multiple subscriber lists can be set up for different uses, such as classroom updates, bus route status changes and more.
- ➔ All our websites are developed to be responsive. Your website will look great no matter what people are using to viewing.

Breeze Key Features:

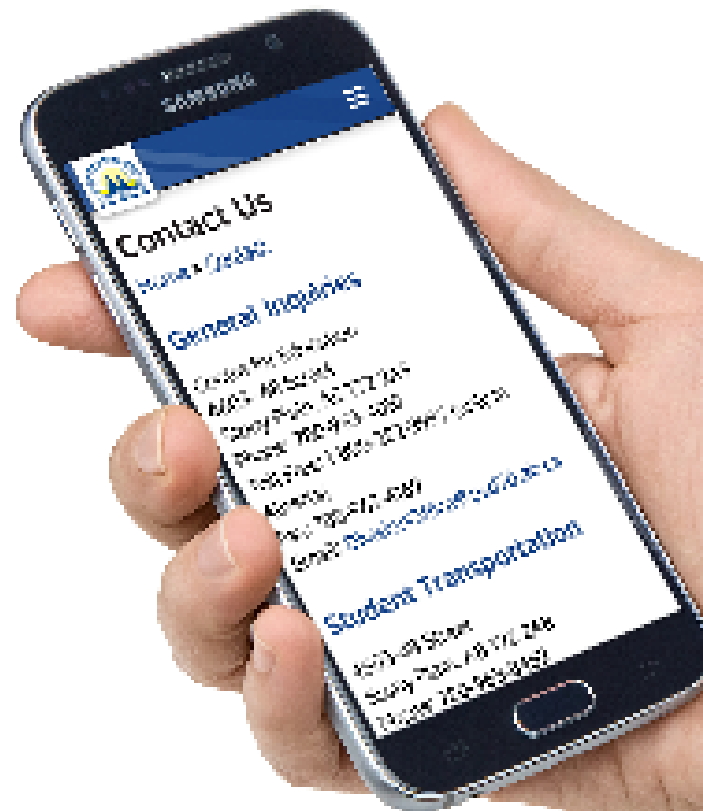

- ➔ Cloud Based - access us anywhere you are.
- ➔ Simple, easy to navigate website management.
- ➔ Safe & Secure Data with multiple backups in place.
- ➔ 24/7 access to support articles and tutorials.
- ➔ Custom designed website to suit your needs.
- ➔ Custom registration forms are available for an additional cost.

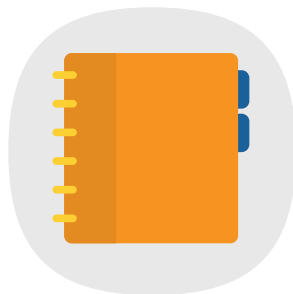

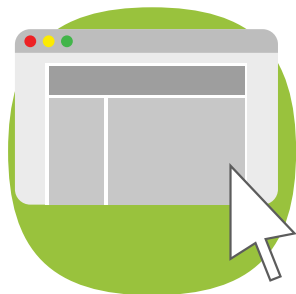

Benefits

- ➔ Provide up to date data for staff, and parents.
- ➔ Free up staff time with quick and easily solutions.
- ➔ Reduce incoming questions, especially during peak times.
- ➔ Increase user satisfaction by providing 24/7 online access to information.
